Dear Members, are you aware that the P.A.L.'s Fine Art Gallery is the first non-profit gallery in Northwest Arkansas, and the Palette Art League is one of the oldest art league. However, we (PAL) would not be here if it weren't for the support of its members and the community. I would like to thank all the members, community and the surrounding art leagues for working together to promote the arts. The Palette Art League would like to remind members to continue your support by renewing your membership dues. The Palette Art League is dedicated to promoting area artists and introducing young artist's talents to the community. The Palette Art League is making plans for 2015, making this year the most "artful" year ever. PAL is a non-profit organization and enjoys working with the community by sponsoring several art shows each year. There are many new community projects in the works; a special tribute to our veterans, celebrate America, community project connecting Yellville to the "Trail of Lights", summer art camp for area children and much more. The gallery will host one man shows of local artisans featuring a different artist each month, education programs in the arts are also in the planning stages.

Community support of volunteers is always welcome, being an artists is not requirement to be a volunteer. It only take appreciation of the arts and a little of your time to help with the upcoming projects. The success of the arts in our community is an asset to the area. Join the Palette Art League by visiting the Gallery or find us on the web.
