The Palette Art League is dedicated to promoting area artists and introducing young artist's talents to the community. The Palette Art League is making plans for 2016, making this year the most "artful" year ever. PAL is a non-profit organization and enjoys working with the community by sponsoring several art shows each year. There are many new community projects in the works; a special tribute to our veterans, celebrate America, community project connecting Yellville to the "Trail of Lights", summer art camp for area children and much more. The gallery will host one man shows of local artisans featuring a different artist each month, education programs in the arts and Summer Kids Art Camp are also in the planning stages.

Community support of volunteers is always welcome, being an artist is not requirement to be a volunteer. It only takes appreciation of the arts and a little of your time to help with the upcoming projects. The success of the arts in our community is an asset to the area. Join the Palette Art League by visiting the Gallery or find us on the web.

2015 Summer Kids Art Camp all stars.

Join the PALs Business meeting, second Friday each month, 3:00 p.m. Followed by "Meet the Artist Reception" 4-6 pm.
